## ARRIVING WITHOUT A CAR

### 1. Private transfer from Split airport

We offer two types of airport transfers.

With the first type you have a dedicated driver who will take you from Split airport all the way to Bol.

The price of this transfer is 200,00 EUR. It includes transfer for up to 8 persons and ferry tickets from Split to Supetar.

The second option consists of two separate taxi transfers. The first takes you from Split Airport to Split harbor, where you will be dropped off. You will then need to purchase your own ferry tickets and make your way onto the ferry.

Upon arrival in Supetar, a second taxi will be waiting for you and will take you to our office. The price of this transfer is 110,00 EUR.

### 2. Private transfer on Brač

You can book a transfer to Bol from Supetar (if arriving from Split) or from Sumartin (if arriving from Makarska) at the following prices:

Supetar – Bol: 55,00 EUR (up to 8 persons)  
Sumartin – Bol: 40,00 EUR (up to 8 persons)

### 3. Public transport from Split Airport

A regular shuttle bus service will take you from Split Airport to Split harbor, from where you can catch a ferry to Supetar (Brač). Once in Supetar you can take an air-conditioned bus to Bol. The bus journey takes 1 hour.

You can also reach Bol by catamaran (fast boat – passengers only), which departs from Split harbor every day multiple times. The boat takes you directly to Bol and the journey takes one hour.

## ARRIVING BY CAR

### 1. From Split

You will need to take the Split – Supetar car ferry service, which takes 55 minutes. Bol is a 36km drive from Supetar.

### 2. From Makarska

You will need to take the Makarska – Sumartin car ferry, which takes 60 minutes. Bol is a 25km drive from Sumartin.

Please note: the Makarska – Sumartin ferry is quite small and can carry about 30 cars. We recommend arriving earlier in order to ensure a place on the ferry, especially in July and August.
